

An aerial photograph of Vancouver, Canada, at dusk. The scene captures the city's waterfront, featuring a prominent bridge with two illuminated towers spanning across the water. In the foreground, a marina is filled with numerous sailboats and yachts docked at piers. The city skyline is visible in the background, with several high-rise buildings, some of which have their lights on, reflecting in the water. The sky is a mix of soft blues and pinks, indicating the time is either early morning or late evening. The overall atmosphere is serene and urban.
